RE: Certification of CPNI Filing
EB-06-TC-060

Dear Mrs. Dortch:

Transmitted herewith in accordance with the Commission's Public Notice, DA 06-223, released January 30, 2006, and Section 64.2009(e) of the Commission's Rules, is our compliance certificate and accompanying statement for the year ended December 31, 2005.

We question whether these rules apply to our company or not as we do not provide telephone service either directly or indirectly through interconnected radio base stations. However, we do own UHF Community repeaters that are licensed as FB6 Private Carrier Repeaters in the Private Land Mobile Radio Service. Some people feel therefore, that we come under the CPNI rules as a carrier, therefore we have implemented the required policies and are submitting this filing just in case.

Very truly yours,

Tyrell C. Furman
President
